

ELECTORAL COMMISSION  
GHANA

**STATEMENT BY THE CHAIRPERSON OF THE ELECTORAL  
COMMISSION OF GHANA – MRS. JEAN MENSA ON THE  
OCCASION OF INTERNATIONAL WOMEN’S DAY**  
**THEME: ACCELERATING ACTION: A CALL FOR GENDER  
EQUALITY**

On the occasion of International Women’s Day, I congratulate all female staff of the Electoral Commission and celebrate in particular your strength, resilience and professionalism.

Your hard work and dedication to duty contributed to the peaceful, credible and transparent electoral outcomes we witnessed as a country on the 7<sup>th</sup> of December 2024.

I acknowledge the progress made towards gender equality in our dear country and the tireless efforts of women who have paved the way for future generations.

As we celebrate this milestone, we should recognize that there is still much work to be done. Women and girls continue to face obstacles that prevent them from reaching their full potential.

That's why this year's theme, "Accelerate Action," is so relevant. We must accelerate our efforts to create a world where women and girls have equal opportunities, and equal representation.

Let's come together to accelerate action and join forces to create a more just and equitable society for all.

To all the young women and girls, we have confidence in you. Your strength, courage, and resilience inspire us every day.

Congratulations to all the women who have made a difference in the Electoral Commission of Ghana over the last three decades. We honor you today, and look forward to continuing the fight for gender equality together.

Ayekoo!
